Subject: RE: Next version of submittal letter

---

Thanks for sending this along Andrew. We didn't have time to discuss the paragraph talking about the 2015 submittal (second page) this morning. I believe we shared our perspective on that paragraph previously. Let's chat if you have questions.

Chris, Laurie, and Dave:

Here's the version of the letter with the modified language. Let me know if this works for you, and we'll try to get it to you this week.
